

OHS School Supply Requirements

Students will have six classes a day. They will need to supply their own paper, writing utensils, and any storage/organizational items they need, such as binders, folders, pencil pouches, etc. Writing utensils may include pens, pencils, erasers, highlighters, etc.

For athletic classes, appropriate clothing is required: shorts, t-shirts (with sleeves and that cover the stomach), socks and shoes.

Lockers are limited in the hallways and an application must be completed if you wish to obtain one for storage. Most students utilize their own backpacks to store and transport necessary items for their classes.

If a student is enrolled in a specialized class, the teacher will inform them at the start of the year of any additional items needed.

If any student needs assistance acquiring school supplies, please contact the OHS office at (541) 889-5309.
