Students meeting state grade-level expectations.

MATHEMATICS

Students meeting state grade-level expectations.

SCIENCE

Students meeting state grade-level expectations.

School Goals

Our school is dedicated to promoting student success through academic, attendance and social growth. Early on, students create goals that they monitor, along with their teachers. Progress monitoring student growth allows us to analyze strengths, weaknesses, gaps, and growth, in order to guide instruction. We continue to see growth with this data driven, goal setting process.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

Our school is intentional in creating and sustaining genuine relationships with students, parents, and staff. We nurture an inclusive and safe environment. Students are taught expectations, rather than rules, and are held accountable to them. We use an anonymous locker and SafeOregon.com to allow students to report concerns. Our staff consistently attends extra-curricular activities to show support for student participants. We include bilingual staff in our office, as well as translate communication sent home or posted on social media.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

To ensure a safe and secure learning environment for all of our students, our school creates a campus wide schedule that provides supervision of students in all areas at all times. We practice our emergency, lock down, and evacuation procedures regularly. We have a school resource officer on campus four days of the week, with access to another one on the fifth day if needed. All concerns are investigated and address by administration.

EXTRACURRICULAR ACTIVITIES

Cross Country, Football, Volleyball, Student Council, Academic Team, SMART Leaders, SMILE, STEM/Robotics Club, Cheer (Basketball & Wrestling), Girls Basketball, Wrestling, Boys Basketball, Tennis, Track

PARENT ENGAGEMENT

Our school engages our parents by hosting a variety of events intended to inform them about resources and strategies they can use to support their child's learning at home. These include Family Night, ELD Night, and Parent Teacher Conferences twice a year. Parents are also invited to volunteer throughout the year. We currently partner with our local Boys & Girls Club, as well as Oregon State University to provide additional opportunities for our students.

COMMUNITY ENGAGEMENT

We participate in an annual food drive to connect our students and community by working together to collect food for families in need. We raise money for the Leukemia and Lymphoma Society, and partner with Four Rivers Cultural Center to provide Arts opportunities for our students.
