

After You Join The Migrant Education Program

- All information provided by parents is confidential by law.
- Oregon keeps the information on a computer system. Only Migrant Program personnel may use the system.
- The Migrant Education Program in your school district will decide which services each child will receive.
- All eligible children and youth are covered by accident insurance 24 hours a day. The insurance pays part of the medical costs when a child is injured in an accident, including in school sports.
- The children and youth are eligible for Migrant Education Program services for three years from the date of the qualifying move.
- The Program is voluntary and free to all eligible children.

The Migrant Education Program at Ontario School District 8C provides help with education and other needs for children ages 3-21 who move frequently because they, their parents, or guardians work in agriculture, fishing, or forestry.

Since 1966, the United States government has offered this assistance to families who work in agriculture.

Who Qualifies for Migrant Education Program Services?

Children and young people ages 3 to 21 years old:

- who have not yet graduated from high school;
- who moved with their families across school district boundaries within the last 3 years;
- who moved so they or their parents could look for work in agriculture, fishing, forestry, ranching, dairy, canneries or meat packing plants;
- and whose families depend on agricultural work to survive.

Kindergarten Readiness Services

- Home visits
- Saturday Conference
- Monthly subscription of Highlights Magazine
- Receive one free book in the mail from birth to age five.
- Computer program Stride Academy for Reading and Math
- Summer School
- 24-hour accident insurance

The **goal** of the Program is to help children and young people overcome problems that result from repeated moves, so the children can be successful in school, graduate from high school and go on to college or employment after graduation.
