

Position Title: **High School Principal**

Department: Administration

Reports To: Superintendent

SUMMARY: Responsible for implementation of board policies, goals, and district mission at the site level. Provides instructional leadership to staff by monitoring and supporting curriculum, instruction, and assessment activities at the site to provide sufficient opportunities for all students to earn a high school diploma. Works with district and building level committees, as well as individual staff to develop and oversee professional development plans that address district and site needs in meeting district, state and federal standards for student achievement. Responsible for day-to-day building management and administration of all students, staff, programs and budgets at the site level. Assures a safe and positive learning environment for students and staff.

ESSENTIAL DUTIES AND RESPONSIBILITIES: Other duties may be assigned.

1. Provides instructional leadership to all staff in the development, implementation and assessment of the School Improvement Plan and related action plans
2. Evaluates the effectiveness of staff curriculum implementation, instructional strategies, and interpretation and application of assessment data to promote student achievement for middle level learners at the classroom and school level, and makes recommendations for improvement
3. Oversees the development of the curriculum guide and master schedule to ensure sufficient opportunities for students to earn credits toward graduation and to prepare for life beyond high school
4. Oversees all academic and co-curricular programs
5. Provides training and staff development at the site level appropriate to meeting student achievement and building goals
6. Makes personnel recommendations regarding the employment and continued employment of all certified and classified staff within the building in accordance with board policy, and state and federal regulations
7. Evaluates performance and effectiveness of classified staff in accordance with board policy, and state and federal regulations
8. Ensures clear and measurable goals are established and focused on critical needs regarding improving overall and individual student achievement at the school level
9. Provides a clear vision as to how instruction should be addressed in the school
10. Aware of predominate instructional practices throughout the school
11. Ensures that licensed staff are provided with clear, ongoing evaluations of their pedagogical strengths and weaknesses that are based on multiple sources of data and are consistent with student achievement data
12. Recognized as a leader in the school who continually improves his or her

professional practice

13. Acknowledges the success of the whole school, as well as individuals within the school
14. Responsible for overall implementation and support of school safety plan and student discipline in accordance with school plans, board policy, and state and federal regulations, including responsibility for suspensions and recommendations for expulsion of refractory students
15. Participates in all Individual Education Plan meetings or other meetings involving assignment of resources related to accommodations for students with disabilities
16. Works with Director of Operations to assure the site's physical plant provides a safe and efficient learning environment for students and staff
17. Develops and administers the school budget, and assists with building level development and implementation of state and federal grant budgets
18. Promotes community relations with all of the site's stakeholders, including parents, parent groups, school volunteers, outside agencies, business community and the community as a whole
19. Implements board policy, state and federal regulations and administers collective bargaining agreements at the site level
20. Serves on committees and fulfills administrative assignments delegated by the superintendent
21. Attends monthly board meetings
22. Corresponds with district staff and stakeholders via email
23. Maintain regular on-time attendance
