Responding to Literature

1. Setting
   A. Where does the story take place?
   B. Give two context (story) clues that identify where the story takes place.

2. Setting
   A. When does the story take place? (past, present, future, and/or time of year)
   B. Give two context (story) clues that identify when the story took place.

3. Plot
   What problem or situation gets the story started?

4. Style
   A. Who tells the story?
   B. How would the story change if someone else in the story or an outside narrator told the story?

5. Style
   Explain a part of the story that created suspense, or made you want to keep reading to find out what would happen next.

6. Plot
   A. Identify two problems the main character faces in the story.
   B. How does the character solve each of these two problems?

7. Characters
   A. Who is the main character in the story?
   B. Give two personality traits of the main character.
   C. Give an example from the story that shows each personality trait.
8. Characters
   A. Name a major character, other than the main character, who is important to the story.
   B. Why is this character important to the plot?

9. Characters
   A. Some characters have small but important roles in a story.
      Name a character like this.
   B. Why is this character necessary for the story plot?

10. Plot
    A. What is the saddest, happiest, or funniest event in the story?
    B. What is the most exciting or unusual event in the story?

11. Characters can be static (unchanging) or dynamic (changing).
    A. Identify a character who changed in some way during the story.
    B. How is he/she different from the beginning to the end of the story?
    C. What caused the change?

12. Author’s Purpose
    What is a main idea or lesson of this story?

13. Plot
    A. How did the story end?
    B. Did the story end the way you expected it to end? Why or why not?

14. Plot
    What other way might the story have ended?
